

Complaints Handling Procedure (CHP)

As a regulated RICS firm, we have in place a CHP, which meets the regulatory requirements.
Our CHP has three stages: -

Stage 1 of the CHP gives the local office, whose complaint it relates to, the opportunity to investigate and respond thereof.
--

Stage 2 of the CHP gives our Firm the opportunity to review independently and consider your complaint in full. Our Firm will try to resolve your complaint to your satisfaction. If you are not happy with our response, you will have the opportunity to take your complaint to Stage 3.
--

Stage 3 gives you, the client, the opportunity to have your complaint reviewed and considered by an independent redress provider, approved by the RICS.
--

Stage 1

If you are unhappy with the service provided by Graham + Sibbald, please speak in the 1st instance with the local office to whom the complaint relates to, providing them with the details of your complaint.

The local office will consider your complaint as quickly as possible and will acknowledge receipt of your complaint within seven days. If they are not able to give you a full response, they will update you within 28 days

Stage 2

If you have spoken to our local office about your complaint and remain unsatisfied, please put the details of your complaint in writing and issue to the undernoted. We ask that you put your complaint in writing to make sure that we have a full understanding of the reasons for your complaint.

We will consider your complaint as quickly as possible and will acknowledge receipt of your complaint within seven days. If we are not able to give you a full response, we will update you within 28 days.
